

February 2016 Weekly Prayer Guide

Week 1

Faith & Family Planning

Praise for the 85 faith leaders & FBO representatives who attended the **ICFP Faith Pre-conference** and committed to advocating for services to help safely time & space pregnancies. [Article](#) in **Global Health Now** on Faith Involvement

Pray for continued increasing recognition of the faith community's potential in **FP & MCH**.

Week 2

Health Systems/Tech

Pray for successful implementation of a new software system for **Emmanuel Hospital Association** so it may be utilized to its full potential, helping many patients. [About EHA's work](#)

Prayers of thanks for innovations such as the **MSH Govern4Health App** to help health leaders manage governance in their work. [About the App](#)

Week 3

Conflict & Displacement

Prayers of thanks for the work of **IMA World Health** with Mission Aviation Fellowship to bring medical care and supplies to people fleeing their homes in South Sudan. [About the Work](#)

Pray for areas of the **Democratic Republic of Congo** facing violence and economic and social crisis.

Week 4

Strong Local Capacity

Pray for the work of the **Lighthouse Assembly of God** in Monrovia, Liberia and for the people it serves.

Prayers of thanks for the work of the **Uganda Protestant Medical Bureau** and its efforts to support and build the capacity of member health institutions. [More about UPMB](#)
