

January 2014 Weekly Prayer Guide

Week 1

Care in Remote Areas

Pray for access to care for people living in remote areas in China and for skilled Christian medical personnel to serve in rural and remote areas.

Prayers of thanks for the potential of the faith community to reach those living in remote areas with health messages and care through church networks and religious leaders. Pray the strength of these networks will be tapped to reach even more people in need. [Read More](#)

Week 2

Care in Conflict

South Sudan is experiencing political and ethnic conflict. Pray for health workers in the nation and the work of the **Christian Health Association of South Sudan** during this time of conflict.

Pray **Samaritan's Purse** and other organizations working in South Sudan are able to resume full operations and serve those who need care. [Read More](#)

Week 3

Immunizations

Pray for the efforts of organizations in the CCIH network and others to deliver lifesaving vaccines to children, such as this **Global Health Action** campaign to immunize against polio and other diseases in Haiti. [Read More](#)

Pray for increased understanding of the value of immunizations for the health of children, communities and entire economies. [Read More](#)

Week 4

Maternal/Child Health

Prayers of thanks for advances in maternal and newborn safety and for resources, such as this toolkit to scale up lifesaving commodities for women, children and newborns. [Read more](#)

Pray for programs to save the lives of mothers and children - including **Catholic Medical Mission Board's** CHAMPS program to address the leading causes of child & maternal deaths. [More](#)
