

June 2014 Weekly Prayer Guide

Week 1

Community Health

Health and development initiatives often fail without community involvement. Pray for efforts to increase the impact of community health initiatives and the work of the **Community Health Global Network**.

[More](#)

Prayers of thanks for those who overcome stigma and are empowered to help their communities, such as the Dalits in India working with **CRHP**. [More](#)

Week 2

Involved Fathers

Prayers of thanks for the work of **Catholic Medical Mission Board** and the **Men Taking Action** program to encourage men to act as partners in the health of their partners and children and become involved in positive behavior change and HIV prevention. [More](#)

June 15 is **Father's Day** in many nations. Pray for children who are orphaned & prayers of thanks for the **Dundori Orphans Project** in Nakuru, Kenya. [More](#)

Week 3

Christian Fellowship

The **CCIH Annual Conference** begins. Prayers of thanks for all those who are able to travel to share in Christian fellowship and answer the calling to serve people in need through their work. [More](#)

Prayers of thanks for the **connections** made at the conference that will inspire and inform the work of global health students and professionals throughout the year. [More](#)

Week 4

Addiction

June 26 is the **International Day against Drug Abuse & Illicit Trafficking** established by the UN General Assembly to raise awareness about the global drug problem. Pray for those struggling with addiction. [More](#)

Prayers of thanks for the work of **Mennonite Central Committee** & partners in Bosnia to prevent and treat drug addiction. [More](#)
