

November 2015 Weekly Prayer Guide

Week 1

Faith & Family Planning

Pray for the first ever **Faith Pre-Conference** at the International Conference on Family Planning in Indonesia November 8-9. [About faith groups & ICFP](#)

Pray for continued productive dialogue on the **potential of the faith community** to save the lives of mothers and children through providing family planning education and services. [FBO Stories](#)

Week 2

Ebola Recovery

Pray for the West African nations continuing to recover from the **2014 outbreak of Ebola**.

Prayers of thanks for the work of organizations such as **Afro-Medical Community Health and Welfare Services** in Liberia to help people such as pregnant women during the Ebola crisis who had trouble accessing care as health systems were strained. [About the Care](#)

Week 3

MCH Studies

Pray for students learning about **maternal and child health** and researchers finding new ways to protect the lives of mothers and children. [Research on health workers and MCH](#)

Prayers of thanks for the **life of Luann Martin**, her commitment to maternal and child health, and a new CCIH conference scholarship fund in her honor.

Week 4

Marginalized People

Prayers of thanks for the work of **Crisis Care Training International** to lift up children with disabilities and enable them to feel God's love and compassion. [Natalie's Story](#)

Pray for the Batwa people of Burundi, facing ethnic discrimination. Praise for the work of **Mennonite Central Committee** to improve their education. [More](#)
