

## November 2016 Weekly Prayer Guide

### Week 1

#### Hurricane Relief in Haiti

Pray for those affected by **Hurricane Matthew**, especially those in Haiti facing the threat of [cholera and food shortages](#).

Prayers of thanks for CCIH members responding, including [ADRA](#), [Children's Nutrition Program](#), [Global Health Action](#), [MAP International](#), and [Samaritan's Purse](#) and all others. Pray responders are able to reach people with medicines, food & supplies.

### Week 2

#### Crisis in Syria

Pray for children in Syria who have been killed, injured and traumatized by years of conflict. Pray for families affected by the [recent air strike](#) on a school.

Prayers of thanks for **CCIH members working in Syria** to help families who have been devastated by the war. Learn what you can do to help the efforts of the [Mennonite Central Committee](#)

### Week 3

#### Engineers/Designers

Prayers of thanks for supporters who funded 1.7 miles of new water pipe, solar panels and pump to [Shirati Hospital and Leprosy Clinic](#) in Tanzania. Water began flowing October 5.

Prayers of thanks engineers, architects and designers using their skills and talents to design projects to bring health and healing to people in need through [Engineering Ministries International](#)

### Week 4

#### Health Systems & FBOs

Pray for guidance for the work of the **CCIH Health Systems Strengthening Working Group**. May their focus on the role of FBOs in health systems strengthen partnerships with others in the health sector.

Prayers of thanks for CCIH members working in the Health Systems Strengthening space, including [American Leprosy Missions](#), [Global Ministries of UMC](#), [IMA World Health](#), [UPMB](#)
