

September 2014 Weekly Prayer Guide

Week 1

Continuing Ebola Crisis

Please continue to pray for the people in the West African nations of Liberia, Guinea and Sierra Leone who are suffering from **Ebola**, and for others who have lost loved ones to the disease. [More](#)

Prayers of thanks for the recovery of aid workers ([link](#)) and for others providing supplies in the region, including [IMA](#) [World Health and CHAL](#) and [American Leprosy Missions and MAP International](#).

Week 2

Christian Knowledge Sharing

Prayers of thanks for opportunities for Christians to use scripture, evidence and compassion to find solutions to problems of health & poverty facing our world & for health practitioners sharing knowledge & experience. [CCIH on Moody Christian Radio on Family Planning](#)

Praise for Christian global health professionals who shared expertise at the **CCIH Annual Conference**. [See Presentations](#)

Week 3

Care Groups

Prayers of thanks for the Care Group model created by **World Relief** that engages community volunteers to share health information, reaching many more. [Learn more](#)

Praise for improvements in immunization rates and other lifesaving interventions resulting from Care Group community volunteers sharing knowledge. [Salvation Army Child Survival Program](#)

Week 4

Water Scarcity

Prayers of thanks for water activists who will join together at the **WaterStep** Annual IF Water conference September 30 in Louisville, Ky. USA to brainstorm solutions to water scarcity & lack of sanitation. [More](#)

Pray for all struggling to access clean water & praise for programs to bring water to those in need, & **World Vision's** Water Scale & impact. [Video](#)
