

Serve Boldly

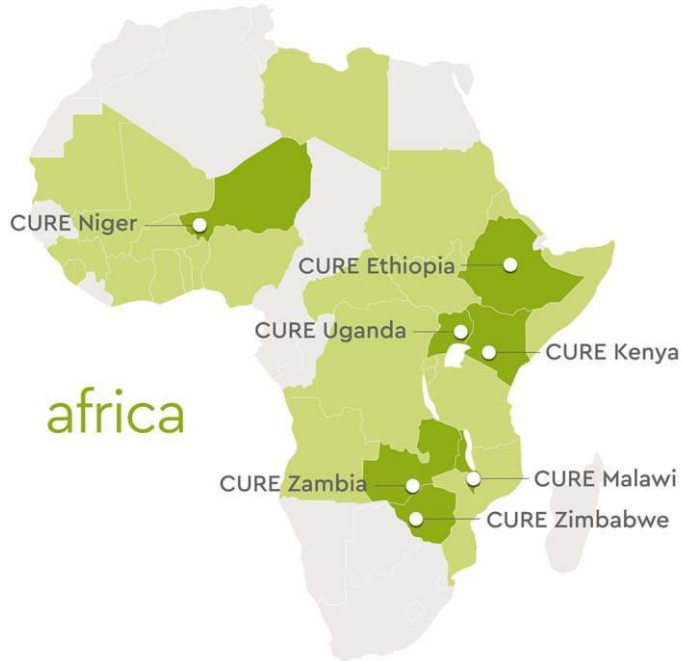

*Facilities and construction initiatives and the impact on quality of clinical care
and USAID ASHA-funded projects*

CCIH 2023

HOPE IN HEALTH: OUR LABOR IS NOT IN VAIN

CURE International

- where children are traveling from to reach our hospitals
- where we are currently serving

25 Years of Impact

- 300,000+ Surgical Procedures
- 5,000,000+ Patient Visits
- 1,000,000+ People Reached
- 200,000+ Decisions for Christ
- 20,000+ Healthcare Workers Trained

Our Why

9 Million children living with treatable disabilities in the countries where CURE has a presence.

We recognize this enormous global need for pediatric surgical care, especially in LMICs where access to healthcare is limited.

CURE's Infrastructure Projects - Past/Present

USAID/ASHA

\$11,013,573 - 18 Projects

4 Active

Capital Campaign
